STUDENT SENATE AUTHORIZATION 2015-100

TITLE: Funding for the Florida Swing Dancing Club

AUTHOR: Senate Allocations Committee

AMOUNT: $3,575.00

Special Request for:

1. Programming (instructor, venue, band) $3,525.00
2. Copies (from SG copy center) $50.00

Grand Total: $3,575.00

President: Andrée George

Active Members: 65

Purpose: The Florida Swing Dancing Club is established for the purpose of developing and improving individual skills in the various forms of swing dancing. The organization is committed to dancing instruction, promoting respect, socialization with other individuals, and providing University of Florida students with the opportunity to learn a physical activity that will be available to them throughout their lives. The organization will promote swing dancing technique and style for the individuals within the University of Florida.

Activities: The Florida Swing Dancing Club (FSDC) holds swing dancing lessons twice a week that cater to beginner, intermediate, and advanced dancers. The content of these lessons rotates and are followed by social dancing, providing students with the opportunity to practice what they have learned and to socialize with other dancers. In Spring 2015, the FSDC intends to hold a weekend workshop, open to individuals in the University, and taught by a professional dance instructor. The workshop will consist of classes during the day and social dances at night, and seeks to promote the social and the athletic aspects of the dance.
Intent: Let it be known that this request passed with the suspension of 808.10 which states that all off campus recreational activities will only be half funded under the programming line. This is due to the fact that this organization could not find an on-campus location available to host the capacity they expect to attend due to the current Reitz Union renovation.

Proviso: This allocation will exhaust at the end of the fiscal year June 30th 2015
