STUDENT SENATE BILL 2015-1033

TITLE: Funding for Fine Arts College Council Equipment

AUTHOR: Senate Allocations Committee

AMOUNT: $5,128.00

Special Request for:

1. Dual-use equipment
   8.1 Surround Sound System $5,128.00

   Grand Total: $5,128.00

President: Michael Polo

Active Members: 497

Purpose: Fine Arts College Council is an umbrella organization that facilitates the needs of student organizations affiliated with the College of the Arts. This equipment will grant students and all organizations affiliated with FACC the access to high-quality audio equipment. The equipment will be stored in the Gator Lair, room 133 in the Music Building. The student body will be able to experience new and advanced art experiences with professional grade audio equipment.

Activities: FACC is composed of student representatives from each department. It works to enhance the artistic and academic environment within the college through regular meetings and events with student organizations. The council represents all students, organizations and clubs within the college and encourages cooperation, understanding and solidarity in matters regarding curriculum, student affairs, faculty and administration.

Proviso: This request is approved on the condition it funds only 50% of the overall request of $10,256.00. Payment is pending the confirmation of the other 50% of the required funding from the College of the Arts. Student Government Code 831.103 as defined in 800.32 limits Allocations to authorizing only 50% of the cost of dual-use equipment that will be used by both student groups and an academic unit. If funding from the College of the Arts is not confirmed by the exhaustion date, the funds allocated through this request will be sent to Student Government Reserves. The allocation will exhaust past the end of the fiscal year on December 31, 2015.
