STUDENT SENATE AUTHORIZATION 2015-115

TITLE: Funding for Gator Billiards

AUTHOR: Senate Allocations Committee

AMOUNT: $1,511.00

Special Request for:

1. Programming (Table rentals, corn maze social) $1,260.00
2. Copies (Fliers) $51.00
3. Food $200.00

Grand Total: $1,511.00

President: Michael Dylan Gerding

Active Members: 30

Purpose: The purpose of Gator Billiards Club is to provide a forum for students interested in billiards to meet, practice, and share their passion for billiards. Gator Billiards accepts members of all skill levels and seeks to improve their skills. Our goal is to provide a safe, welcoming environment where any student interested in billiards can come out, hop on a pool table, make new friends, and obviously improve his or her billiards game all free of charge.

Activities: Gator Billiards will provide a billiards community by holding weekly two-hour meetings at Palomino's Pool Hall (and the Reitz Union Game Room once it reopens) and rotating members across our pool tables. By rotating members to different tables, Gator Billiards ensures that members meet new people and hopefully form new relationships. Gator Billiards improves the skills of members by pairing up lesser skilled members with our highest skilled members. Higher skilled members coach and teach the lesser skilled members in order to improve their
skills. Gator Billiards will also host monthly socials to facilitate member-to-member interactions and friendships.

Intent: Let it be known that this request passed with the suspension of 808.10 which states that all off campus recreational activities will only be half-funded under the programming line. This is due to the fact that this organization must play off campus because of the current renovation of the Reitz Union. This suspension only holds for the funds given for this request in the Fall semester for table rentals.

Proviso: This allocation will exhaust at the end of the fiscal year on July 31, 2016.
