VISA's mission is to promote cultural diversity and awareness to the UF student body through hosting and helping the sub-organizations host various cultural events throughout the year. The aim of the Pakistani Students' Association is to celebrate and promote the colorful and rich culture of Pakistan through social, service-oriented, and educational events.

Activities
PSA reaches out to the student body by engaging in activities, socials, and charitable events, which are all opened to all UF students. They provide culture experiences through music, dance, and food, and hope to spread a positive image of Pakistani Americans to the University of Florida students. Additionally, they strive to encourage diversity, and learn about other cultures, especially under umbrella organizations such as VISA.
