Purpose: The Florida Swing Dancing Club is a growing scene. Inviting two excellent, professional dancers to teach their club will enrich and expand their skills, while also attracting dancers from UF. They will provide professional instruction that dancers cannot seek anywhere in Gainesville. Their long-term goal with hosting workshops is to improve their skills, become a stronger club, and represent the University of Florida with their Swing-dancing scene nationally.

Activities They are reaching out to two very well known swing dancers to teach at their scene. Peter Strom and his fiance Naomi Uyama will be flying down to Gainesville. This club also has weekly practices that are open to all UF students.
Proviso: This allocation will exhaust at the end of the fiscal year on June 30, 2016
