Purpose: Their purpose is to create a place for Christian and non-Christian students that foster honest and open conversation about life and the college experience through the lens of faith. Their vision is to create a place where students can walk through these obstacles and live together and look to the Gospel as a guide. Their hope is to reach all disinterested and un-churched students at the University of Florida.

Activities They aim to create a safe environment where people can dare to be vulnerable. At YoungLife "Club," they create such a place. YoungLife College strives to be a place full of free expression, where students may come to be known and loved for who they are. They use games, team building, and speakers to build relationships that facilitate honest discussion about faith.
Proviso: This allocation will exhaust at the end of the fiscal year on June 30, 2016
