Active Members: 30

Purpose: The purpose of Belly Gators is to provide a safe and supportive environment for participants to practice belly dancing techniques, learn new skills, study other related dance forms, create and perform choreographies, host discussions/workshops of relevant topics and collaborate with other student organizations. Through the art of belly dance, this club will promote positive body image, encourage creative expression, facilitate camaraderie, and ultimately instill a sense of confidence and empowerment to all members.

Activities Through various open workshops and meetings, they hope to teach members about the many varieties and styles of belly dance with lessons available from beginner levels to more advanced levels. Everyone is welcome to come and learn about the history of belly dance and how it can be used as a powerful tool for positive body image while promoting multiculturalism.
