Purpose: The purpose of the Belly Gators is to provide a safe and supportive environment for participants to practice belly dancing techniques, learn new skills, study other related dance forms, create and perform choreographies, host discussions/workshops of relevant topics and collaborate with other student organizations. Through the art of belly dance, this club will promote positive body image, encourage creative expression, facilitate camaraderie, and ultimately is still a sense of confidence and empowerment to all members.

Activities: They accomplish these goals by hosting weekly dance classes where they teach members the basic steps of belly dance while also incorporating other styles of dance like salsa, hip hop, and afro pop.
