Grand Total $920.63

President: Myles Marcus

Active Members: 110

Purpose: The goal or our organization is to provide guidance and lab space for students to design, 3D print, and assemble prosthetic hands in a social setting.

Activities: Our organization will accomplish this goal by hosting weekly meetings in which members can form teams to complete their projects, with other more skilled members overseeing each project to provide guidance when needed.

Ian Green
Senate President
