

STUDENT SENATE BILL 2009-1039

THE STUDENT SENATE OF THE UNIVERSITY OF FLORIDA HEREBY AUTHORIZES:

TITLE: 2008-2009 Midyear BOCC Budget Realignments

AUTHOR: Samuel Rosati, BOCC President and Geoff Landau, BOCC Treasurer

SPONSOR: Budget Chairman Brandon White, Budget Vice Chairwoman Virlany Taboada

AMOUNT: \$35,130.86

In accordance with its charter (Student Senate Bill 2005-1039), BOCC is reverting \$35,130.86 from individual college council budgets to BOCC Special Request travel and program lines. The net academic budget impact of these changes is zero dollars. As per the BOCC charter, the funds of a College Council or Interdisciplinary Assembly may be reverted to the BOCC special request budget or may be reallocated to other College Councils and Interdisciplinary Assemblies if the College Council or Interdisciplinary Assembly has “willfully signed the funds back to the BOCC.”

Whereas some College Councils and Interdisciplinary Assemblies have determined that they will not be able to use the funds allocated to them in an efficient and effective manner, those funds projected to go unused shall be realigned into the BOCC Special Request lines so that they may better serve and benefit the student body at the University of Florida. BOCC Special Request lines are used to fund new programming and travel events not contained in the original budgets of college councils or their academic subgroups.

In accordance with this recommendation, the BOCC Executive and General Boards conducted midyear reviews that resulted in a recommendation for realignment of \$35,130.86 into the BOCC Special Request lines. The realignment of these funds was willfully approved by each effected Council, and was unanimously approved by the BOCC Executive Board on February 12, 2009 and the BOCC General Board on February 19, 2009. The origination of the funds to be realigned is outlined below:
